

THE CHAT NEWSLETTER

**Retired Public Employees' Association
Burbank Chapter #026 Area V**

We are active and retired California public employees working together to maintain and improve the quality of the lives of our members by protecting and improving retirement, medical, and other benefits.

MESSAGE FROM YOUR CHAPTER PRESIDENT

As president of the Burbank Chapter of RPEA, I want to welcome you with the first copy of our very own chapter newsletter. It will list what will be happening at the next meeting, our program, and any special information. The board members will each introduce themselves to you in future newsletters. So we hope you will enjoy this special communication. I retired after working 30 years from the City of Burbank's-Park & Recreation Department's Joslyn Adult Center. I was Chapter Vice President for 3 years before accepting the job of President. Just a reminder, your membership is very important for you and all your fellow retirees. As I am sure you are aware, our benefits are under fire and many would love to take away what we have earned. I encourage you to attend our meetings and recruit qualified retirees. We meet at noon, every other month (February, April, June, August, October) on the fourth Monday currently at the Joslyn Adult Center, 1301 W. Olive, Burbank, 91506 and we have a special holiday party in December. The meetings include a free lunch, short business meeting, and a speaker. Please come and meet your fellow retirees and support your Board. Look forward to seeing you at the next special meeting when the head of our state organization will be joining us.

Sharon Leech, President-Chapter #026
