50th ANNIVERSARY OF AUBURN CHAPTER 030

Our Auburn Chapter 030 of the Retired Public Employees' Association was Chartered January 14, 1969. We will celebrate our 50th anniversary January 14, 2019.

As we reflect back on those years let's remember our mission, "We are retired California public employees working together to maintain and improve the quality of our members by protecting and improving our retirement and medical benefits. I would like to pay tribute to all the Past Chapter Presidents and especially those I worked with and remember fondly: JoAnn Rutter, Gloria Stallman and Kal Kokala. There was a gentleman who was president prior to Gloria Stallman (sorry, I can't remember his name) who was President before I joined.
