Kevin Clark Presents Seniors Notes From Elizabeth - With Fraud Prevention Info Chapter 43 President

The first general business meeting of RPEA Chapter 43 for 2018 will focus on a very timely issue-protecting seniors from fraud, theft and ID theft. Presenting us this information will be Kevin Clark, a member of the Yolo District Attorney Office and the enforcement officer for "Elder Protection"

Kevin has been with the Yolo DA for three years and was previously a high school teacher in Vallejo and Vacaville. Mr. Clark has a BA degree in Social Sciences, a Master's in Education and minors in both Spanish and Criminal Justice. He is a native of Fairfield, CA. He and his wife, Veronica, have five children, all boys, which he says keeps him active with the boys activities and lots of laundry.

Mr. Clark's presentation will cover the latest information on fraud and ID theft affecting seniors in Yolo County. (Please see President's article about a CALPERS telephone scam.) Those wishing to attend should reserve by calling Charlotte Lloyd at 530-661-6595 not later than February 5th. The cost for lunch is only \$5.00 for members and \$15.00 for guests

"Article IV. Section 2: Chapter Associate dues are established, collected annually and retained by the Chapter. Any amount of Chapter Associate dues in excess of \$ 10.00 must be approved by the State Association Board. Chapter 43 Associate dues are \$ 0.00."

In response to our question concerning our dilemma the State RPEA representative Ernest Sandoval, Chair, By-Laws Committee-RPEA he states: "I understand that the By-Laws of the Yolo Chapter (043) are not consistent with Robert's Rules nor with the Template for Chapters of RPEA." He then proceeds to explain the steps we must take to correct this issue. The board will review the changes needed at their April 9 meeting and return on May 10th with a recommendation..

scam that is circulating preying on CalPERS retirees. The caller purports to be from CALPers and says the retiree owes money to the pension fund and that payment has to be made immediately. The statement from CALPers is as follows:

"...CalPERS will never cold call you to ask that you pay funds over the phone and will never ask you to pay funds via prepaid credit or reloadable cards," CalPERS said in its warning."

Please do not provide any personal information or payment of any kind as a result of a call from an individual purporting to be an official of any governmental or fiscal agency. Verify any call you receive by calling that agency yourself and confirm the information. In most instances it will be a scam.
