A man called his mother in Florida .

"Mom, how are you?"

Not too good," said the mother. "I've been very weak."

The son said, "Why are you so weak?"

She said, "Because I haven't eaten in 38 days."

The son said, "That's terrible. Why haven't you eaten in 38 days?"

The mother answered, "Because, I didn't want my mouth to be full in case you should call."
