MESSAGE FROM THE PRESIDENT

My how time flies. Here we are, halfway through the year. Some of us have had birthdays, and are a year older and wiser. Some of us have, or will soon, visit our children or friends who still live in California. Even though we now live in Arizona or other states, we never loose our ties with California. That's where we lived, worked, and retired.

How fortunate those who live in Prescott are. Twenty degrees cooler than Phoenix, and fifteen degrees warmer than Flagstaff, yet each of them within an easy drive. We are the place where many people come to visit, shop, and sightsee. Often those sightseers become homeowners here in Prescott. If you know anyone who fits that description, introduce them to RPEA.

Reminder, our next meeting will be on July 17th at the Golden Corral. Lunch starts at 11:30, and our program starts at noon. Our speaker will be Larry Sullivan, our own Area IX Director. Larry will bring us news from RPEA Executive Board, as well as information regarding the upcoming General Assembly. We have also invited a representative from AMBIA to join us. Please plan on sharing this time with us.

Respectively Submitted,
Jim Swank, President

MINUTES OF THE MAY 15, 2018 MEMBERSHIP MEETING

The business meeting was called to order by President Jim Swank. Thirteen members were in attendance. Two Board members were out of state, and one was ill.

Our guest speakers were Marsha Collier, Fuels Management Coordinator, and Isiah Keeme, Lead Fuels Technician, with the Prescott Fire Department. They are responsible for helping the homeowners with brush disposal, once they have created a defensible space around their home. They will also provide an assessment of the work completed. If the homeowner will stack the brush at the curb, the Fire Department will bring a chipper to remove the brush. Call (928) 777-1733 for scheduling.

OLD BUSINESS

The minutes of the March 20 meeting were approved as written. The President gave the treasurer's report, which was also approved as written. Our balance as of April 30, was \$2,948.03. Our bylaws revision has been approved by the RPEA Executive Board, thanks to the work of our Chapter Executive Board. There will be no election this year, as all of our Board members were elected last year for a two-year term.

NEW BUSINESS

The members approved the expenditure of funds to pay for the expenses for Sam Scott to attend the 2018 General Assembly, as our Alternate. RPEA will pay for the expenses of Jim Swank, who will attend as our Delegate. Our next meeting will be on July 17th. Larry Sullivan, our Area IX Director, will be our speaker. Make plans now to join us for lunch and our business meeting.

Respectfully Submitted,
Jim Swank, President
