WEP / GPO EXCITING NEWS

We Passed the House last Tuesday and we've got a tough road through the Senate, but we have momentum on our side.

ACTION NEEDED:

Last week the House passed H.R. 82 with strong bipartisan support of 327 votes in favor. Now we build on that momentum and collectively call for a vote on S. 597 in the Senate.

This critical legislation has the potential to make a significant impact for public service workers, but we need your senators to act now!

Please contact your senators today and urge them to vote in favor of S. 597. Additionally, we need to ask Senate Majority Leader Chuck Schumer to bring the bill to a floor vote as soon as possible.

HERE'S WHAT YOU CAN DO:

Call or email your senators and ask them to support S. 597. California's Senators are linked below as is Senator Schumer and the general Senate link if you're outside of California. NOTE - You need to use the Contact or Message button on their webpage.

Request Senator Schumer prioritize this bill and bring it to the floor for a vote. This advocacy only takes a few minutes, but your voice will make a powerful difference in moving this legislation forward!
