Status: 8/30/2026-Read third time. Passed. Ordered to the Assembly. (Ayes 33. Noes 0.). In Assembly. Concurrence in Senate amendments pending. Senate amendments concurred in. To Engrossing and Enrolling.

Location: 8/30/2026-A. ENROLLMENT

Summary: The Public Employees' Retirement Law (PERL) establishes the Public Employees' Retirement System (PERS) to provide a defined benefit to members of the system based on final compensation, credited service, and age at retirement, subject to certain variations. Existing law creates the Public Employees' Retirement Fund, which is continuously appropriated for purposes of PERS, including depositing employer and employee contributions. Under the California Constitution, assets of a public pension or retirement system are trust funds. The California Public Employees' Pension Reform Act of 2013 (PEPRA) establishes a variety of requirements and restrictions on public employers offering defined benefit pension plans. In this regard, PEPRA restricts the amount of compensation that may be applied for purposes of calculating a defined pension benefit for a new member, as defined, by restricting it to specified percentages of the contribution and benefit base under a specified federal law with respect to old age, survivors, and disability insurance benefits. Existing law, the Teachers' Retirement Law, establishes the State Teachers' Retirement System (STRS) and creates the Defined Benefit Program of the State Teachers' Retirement Plan, which provides a defined benefit to members of the program, based on final compensation, creditable service, and age at retirement, subject to certain variations. This bill, for service performed on and after January 1, 2027, would prohibit the pensionable compensation for calendar year 2027 used to calculate the defined benefit paid to a new member of a retirement system

subject to PEPRA who retires from the system from exceeding specified percentages of the contribution and benefit base under the specified federal law with respect to old age, survivors, and disability insurance benefits.
