

RPEA-Backed Candidates Dominick Bei & Jose Luis Pacheco Fall Short in CalPERS Election

Although our endorsed candidates did not win, we are proud of the positive, issues-focused campaign they ran, without resorting to negative attacks. Their opponents spent \$788,000, which made it extremely difficult to compete.

Thank you to the candidates and to all RPEA members that supported Dominick Bei and Jose Luis Pacheco while bringing attention to the serious issues facing CalPERS.
