H.R. 82 Vote TODAY

Ask Your Representative to Vote YES Only on H.R. 82

Please contact your Representative ASAP re: today's vote. We've provided a suggested message below.

The Freedom Caucus tried to kill H.R. 82 on November 5th but have agreed to let it come up for a vote today under the condition that H.R. 5342, the Equal Treatment of Public Servants Act spearheaded by Representative Arrington, is also considered.

We now need to advocate strongly for **exclusive support of H.R. 82**.

H.R. 5342, doesn't solve the larger problem. It only proposes amendments to the Windfall Elimination Provision (WEP). The bill, which currently has limited backing with 37 cosponsors, provides only for an additional monthly payment of \$100 to individuals affected by the WEP.

H.R. 5342 does not address the Government Pension Offset (GPO).
